The birds are here! Spring is in the air and we are already into our 3rd week before school is out. Please encourage your child(ren) to keep up with their homework and assignments. As the weather is changing daily, please have your child(ren) come to school prepared for 1/2 hour of recess time at lunch and at 2:00 PM. Remember to **call** the school if your child(ren) will be absent, otherwise they will be marked as unexcused absence. Also three consecutive tardies equal 1 day of unexcused absence. Also, if your child **cannot** play out side, they will need a written note from home or a phone call to the office. We are also in to our final weeks of testing in some areas. Please encourage your child to eat a good healthy breakfast before coming in for school. Thank you. (Thanks to Tommy, you can view our school website at: www.lksd.org/avaprun)
