**4<sup>th</sup> Grade need 3 folders for Rdg., Wrt., Math**

If students aren't caught up with reading or math, they need to come in my room at 8 a.m. This is my prep time, but I'm keeping it open for students. The EXTRA reading is really necessary for students to develop good reading habits.

Students are now having Friday clubs for homework. If their work isn't caught up, then from 2-3 p.m. they attend the homework club.
