

LOWER KUSKOKWIM SCHOOL DISTRICT

The Lower Kuskokwim School District (LKSD) will be accepting competitive proposals from experienced general contractors to perform construction services for the Mekoryuk Wastewater and Playground Upgrades project.

PROJECT DESCRIPTION

The purpose of this project is to complete construction of needed wastewater upgrades and to install a new playground at the Nuniwaarmiut K-12 School site in Mekoryuk, Alaska this upcoming construction season this year.

SCHEDULE

The school district has contracted with Nvision Architecture for project design services. Anticipated substantial completion is August 30, 2024.

Proposal documents are available from the office of Nvision Architecture, Inc., 1600 A Street, Suite 300, Anchorage, Alaska 99501. Telephone: (907) 349-1425; Email: contact@nvisionarch.com. For the convenience of interested proposers, a complete set of documents are on file at the following locations:

1. The Plans Room, Anchorage.
2. Associated General Contractors
3. A/E Plans

A pre-bid meeting is scheduled at Nvision's office on Monday April 8th, 2024 at 10:00AM. If anyone is interested in attending this meeting via ZOOM, please contact our office and we will set this up.

Sealed bids will be received at Nvision's office until 2:00PM AKST on Friday April 19th, 2024. Proposals received after this time will not be considered.

Publish Dates: April 3, April 4, April 6, 2024
