Income Survey for Title I

Dear Parent:

The following information is needed by our school. This information will be used for the E-rate program to determine our school discount for telephone and internet. It is also needed to meet federal and state laws for Title I and may be used to qualify for additional grants. (This table is from the Alaska Income Eligibility Guidelines for Free and Reduce Meals).

Please check the row that best describes your family's annual income level (including all taxable income).
